

# Choosing Herbs for your Herb Garden

Here are some suggestions for some easy culinary herbs to grow. Remember, there are hundreds of herbs to choose from, especially if you consider all the varieties of mint, basil, and thyme out there!

## Easy annual herbs:

Parsley	Lemon Verbena
Basil	Chamomile (will reseed)
Dill	Scented Geraniums
Marjoram	Pineapple Sage
Rosemary	Fennel

## Easy Perennial Herbs:

Garden Sage	Lovage
Chive	Thyme
Garlic Chive	French Sorrel
Catmint (nepeta)	Hyssop

## Herbs that can be invasive:

Mint	Anise Hyssop
Bee Balm	Valerian
St. John's Wort	

Lavender and Lemon Balm can be challenging to winter in colder areas.
